

Need a change of
perspective?

From January 2019 to February 2019 for the software & hardware roll-out on MSC next cruise ship MSC Bellissima we are looking for a working student. Willingness to travel mandatory – also for extended periods of time.

Assistant for hard- and software roll-out

OUR COMPANY:

Since 2014, Favendo has been developing and marketing technology-agnostic location based services solutions for corporate customers. The company specializes in indoor positioning and mobile tracking and navigation solutions. Our success is based on our team members' skills, creativity and engagement. We do not compromise when it comes to quality and sustainability. Our friendly Team is committed to providing timely and cost effective solutions for cruise industry, large shopping malls, sports facilities and facility management.

YOUR TASKS:

- ✓ you will support Favendo during setup phase of an on-premise software system on a cruise ship
- ✓ finalize hardware installation
- ✓ create and execute testplans for hardware
- ✓ create and execute testplans for software (indoor navigation and kid's tracking)

YOUR PROFILE:

- ✓ self-dependent work, capacity for teamwork, goal-oriented and results-oriented way of working
- ✓ good physical state, noise and dust insensitive
- ✓ enrolled in University or college, not compulsory in computer science, e.g. Business Administration
- ✓ specializing in computer science or industrial engineering
- ✓ at best, knowledge of software development and the use of tools such as Jira, Confluence
- ✓ Passion for mobile applications
- ✓ fluent in English

OUR OFFER:

- ✓ you will get an insight of software and hardware rollout
- ✓ good payment and coverage of travel expenses for a short term deployment (2-3 times for one workweek)
- ✓ opportunity of other short term deployments in St. Nazaire within 2019
- ✓ agile and flexible working culture with flat hierarchies
- ✓ interdisciplinary teams
- ✓ good development and training opportunities

Have we piqued your interest? Then we are looking forward to receive your complete application documents by email to jobs@favendo.com. Any questions? Don't hesitate to contact us by phone: +49 (0) 951 700 57559.
